

# Deduct the total price of your equipment purchase in 2022 with our affordable monthly payment plans

1. It's simple. Apply for the amount you need to finance the equipment
2. Once approved, select repayment terms between 12 and 72 months
3. Start making your regular monthly payments in 2022 but deduct the total amount for the current tax year

The application process is simple, secure, quick and easy. Within 24 hours, you can purchase the equipment you need this year with affordable monthly payments.

- Deduct new and used equipment and packaged software purchases
- Streamline the finance process by applying online and signing electronically
- All credit profiles considered, including start-ups, with attractive rates
